# Mystery

Author, lecturer, TV personality, pro PUA, and international cultural icon, entertainer Erik von Markovik is the host of VH1's *The Pickup Artist*, the author of *The Mystery Method: How To Get Beautiful Women Into Bed*, and the world's foremost expert in the art and science of social dynamics.

Also known as 'Mystery', he exploded onto the underground pickup scene in the late 1990s with his ground-breaking contributions to the art, which earned him international prominence when his exploits were documented in Neil Strauss' 2005 bestseller *The Game: Penetrating the Secret Society of Pickup Artists*.

He has since been covered by various media outlets including, but not limited to, CNN, *The New York Times*, and *The Conan O'Brian Show* and has made numerous special appearances — not least at the *Playboy Mansion*.

An industry leader and the first-ever pickup instructor to offer live, in-field training, Mystery has taught the *Venusian Artform* to thousands of men from all around the world and a who's who of the most renowned and celebrated PUAs who have ever walked the planet.

These days, Mystery teaches a tweaked, updated, and near-to-perfected version of his original 3-phase process, which remains the benchmark that other coaches aspire to. **He calls this new system 'Mystery 2.0'.**

# Beckster

As the earliest Pickup Artist in the UK and founding instructor at the very first School of Seduction, Beckster has been at the forefront of the dating and relationship industries for well over 25 years now.

During that time, he also trained thousands of students from all around the world and launched the careers of most of the other well-known and well-respected dating coaches to come out of the UK.

In fact, it is fair to say that Beckster is somewhat of a legend in the PUA community; sought out by contemporaries who want to reach the next level and those in the media who know that when the pressure is on and the cameras are pointing right at him, he will still deliver the goods – for himself and his students.

To this end, he has been featured in publications such as The Sunday Times, FHM, and Mayfair and on major channels and streaming services such as the BBC, National Geographic, Netflix, and Amazon Prime.

Beckster's style is a potent combination of the God-given abilities he modeled from 'naturals' while running one of London's largest promotions companies and the routines and gambits he's learned from his 25 years of training in the art of the pickup. **He calls it 'Supernatural Game'.**

# **MYSTERY & BECKSTER'S PHILOSOPHY & METHODOLOGY**

Mystery is regarded as the first and still the only pickup artist to develop a comprehensive, evidence-based system for attracting beautiful women. He wrote 'Mystery Method: How to Get Beautiful Women into Bed' in 2007, and this method, rooted in evolutionary psychology, remains relevant and effective almost two decades later.

Beckster has his own brand of 'cheeky chappie' pickup that incorporates NLP (neuro-linguistic programming) with high-impact super-routines and gambits that straddle the line between direct and indirect styles of game. Once combined, you'll have a powerful mixture of mindsets, tactics, and strategies to help you in all situations – the very best of both worlds.

## STRUCTURE

Structure is vital when it comes to learning pickup, and without a solid foundation in the structure of pickup, it's easy to get lost while trying to adopt a 'natural game'. Mystery wrote the book on structure, literally, but while reading books, browsing online, and watching videos can provide you with a basic understanding of the structure, there is no replacement for getting out there and learning it live in the field.

## INSTANT FEEDBACK

The key to rapid progress in pickup is instant feedback. During your training, Mystery and Beckster will observe your sticking points in real-time and provide guidance on improving your interactions with the next group. This instant feedback will skyrocket your results in a very short space of time. Mystery and Beckster also believe in the value of personalized instruction, which is why their training groups are always kept small and intimate.

## RESULTS

Between them, Mystery and Beckster have coached and mentored some of the biggest names in the dating industry, including Neil Strauss, Adam Lyons, Matt Hussey, and RSD's Tyler Durden. Their teachings have profoundly impacted countless pickup artists and enabled thousands of everyday gentlemen to achieve success in their dating lives and beyond.

# STEP 1

## **Attract** **Build Comfort** **Seduce**

### THIS INCLUDES

**Every love story is made up of scenes or phases. To become a proficient pickup artist, you have to know what phase you're in, the right time to move to the next phase, the exact things to say (and do) to move into the next phase, and the body language and general way of being that will maintain her attraction for you and keep you out of the friend zone.**

We will prepare you for the night ahead so your interactions will flow as seamlessly as possible, and you can get all the practice and experience you need to evolve.

## STEP 2

### MASTER THE ART OF INFIELD

Embark on a journey to a world of high-octane social scenarios where you can become a master at meeting and interacting with goddess-like women. Picture yourself effortlessly strolling through the VIP entrance of a lively beach club or rooftop terrace, ready and able to make solid connections and build some meaningful relationships.

As you sit at your table surrounded by the pleasant mingling of conversation and music, it's your time to rise up to the challenge and engage in interesting and memorable conversations with all the people around you.

**With our expert guidance, you'll be armed with a repertoire of tried-and-tested gambits and routines that will help you approach groups of people with rock-solid confidence.**

In this respect, you'll make your way seamlessly from one group to the next as you concentrate fully on developing the skillset while being respectful, considerate, and amazing to everybody you meet.

And as you continue refining your skillset, you'll find that your interactions will be longer-lasting and much more polished, until you reach the point where people are asking for your contact information – instead of the other way round.

Finally, you'll get the chance to see us in action, noting the way that we play the game and joining with us in our interactions as we use the exact same techniques and processes that we'll teach to you.

**After all, we get a tremendous buzz from helping you achieve your full potential – so we hide nothing and hold nothing back.**

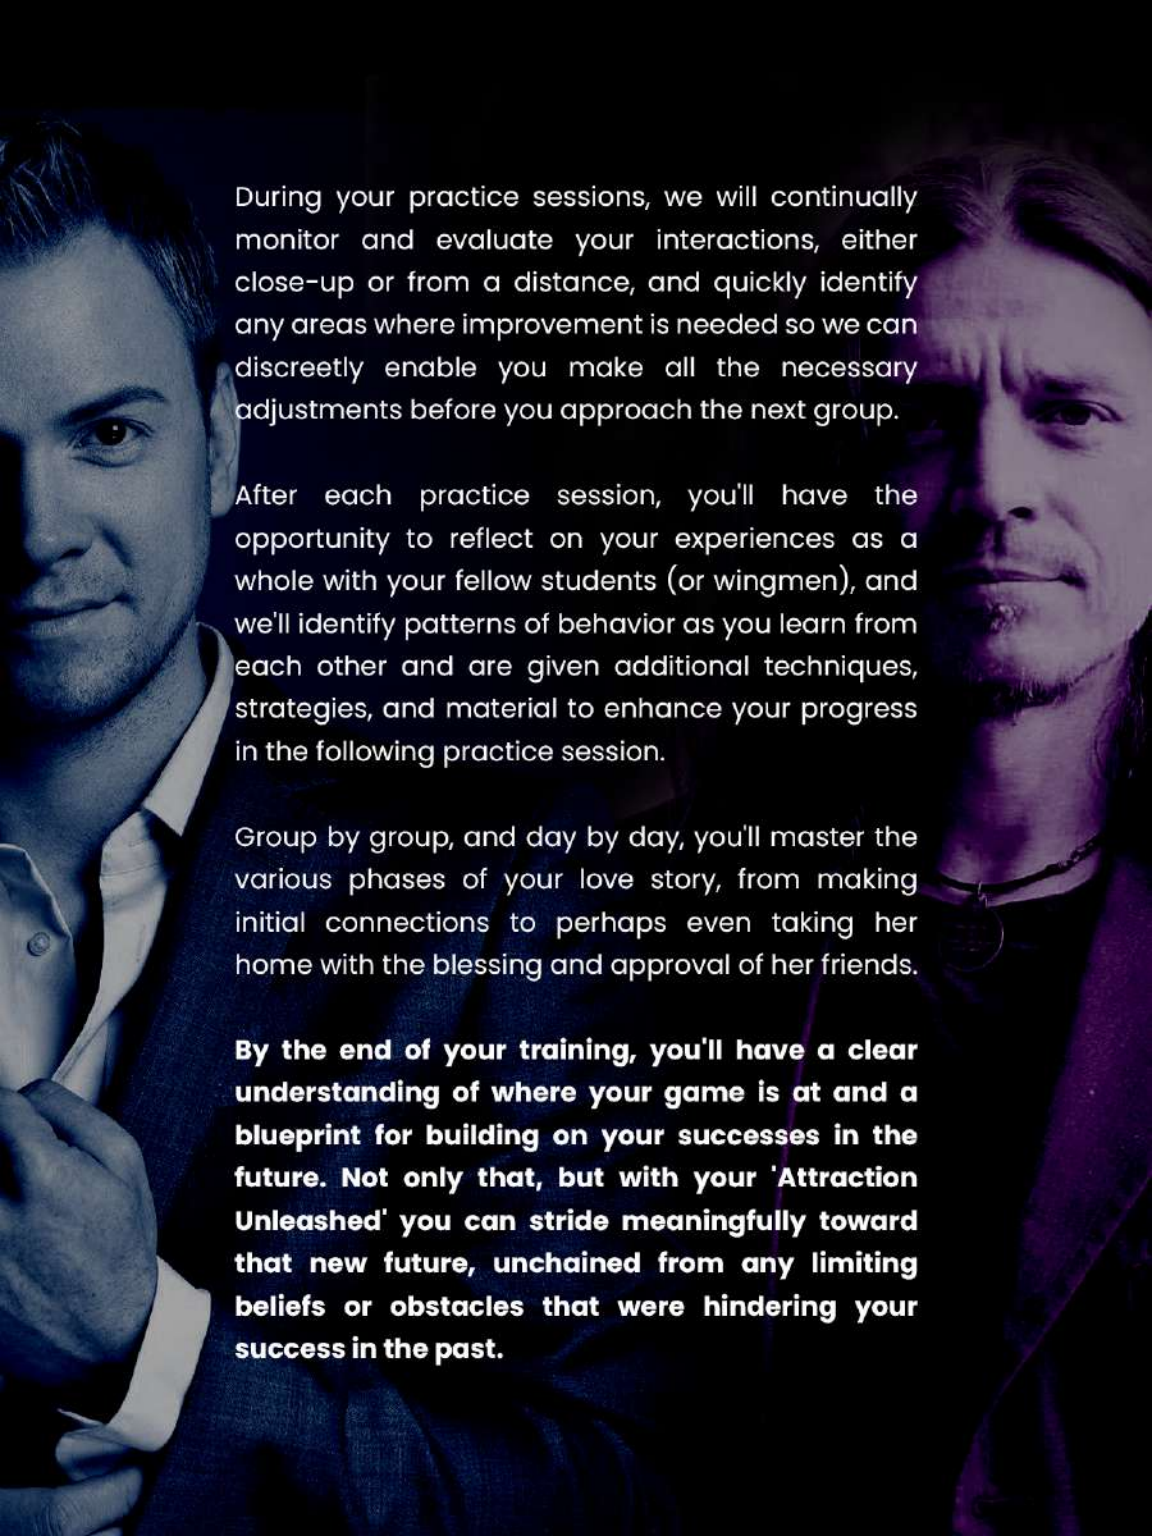

## STEP 3

### REFLECT & RECEIVE REAL-TIME FEEDBACK

Experience the thrill of the cold approach pickup and witness first-hand how a sense of belief and a confident demeanor will instantly influence how you're treated by others as they beckon you nearer like mermaids on the shore. With your stimulating openers and captivating stories, you'll glow with a radiance that lights up the faces of your dream girl and her friends, creating a first impression that leaves her wanting more of you.

*"We should be the smiling  
Pickup Artists. Smiling is  
simply attractive."  
-Mystery*

During your practice sessions, we will continually monitor and evaluate your interactions, either close-up or from a distance, and quickly identify any areas where improvement is needed so we can discreetly enable you make all the necessary adjustments before you approach the next group.

After each practice session, you'll have the opportunity to reflect on your experiences as a whole with your fellow students (or wingmen), and we'll identify patterns of behavior as you learn from each other and are given additional techniques, strategies, and material to enhance your progress in the following practice session.

Group by group, and day by day, you'll master the various phases of your love story, from making initial connections to perhaps even taking her home with the blessing and approval of her friends.

**By the end of your training, you'll have a clear understanding of where your game is at and a blueprint for building on your successes in the future. Not only that, but with your 'Attraction Unleashed' you can stride meaningfully toward that new future, unchained from any limiting beliefs or obstacles that were hindering your success in the past.**

# MASTERCLASS FAQ

## HOW MANY HOURS OF TRAINING PER DAY?

The Standard and Masterclass Bootcamps consist of 4 hours interactive daytime seminar and a minimum of 4 hours infield training each night (though we always go over that). The Masterclass Residential offers the same basic hours as the Masterclass Bootcamp, but since you will be living with us, it's fair to say that every second you're in our presence, you'll learn something valuable – even via osmosis!.

## WILL I BE TRAINED BY MYSTERY AND BECKSTER?

There are other companies where you might book a Bootcamp, and the face of the company either isn't there or was nothing but hype and marketing in the first place. Mystery and Beckster are the realest of deals, their achievements speak for themselves, and most importantly, if you book an event with Mystery and Beckster, you will be trained by Mystery and Beckster.

## ARE FOOD AND ACCOMMODATION PROVIDED?

For the duration of the events, the students must arrange their own accommodation and any additional costs.

# MASTERCLASS FAQ

## WHAT SHOULD I WEAR?

During the day, whatever you like. For infield, make sure you have clothes you can wear to a nightclub: leather shoes/boots, fitted jeans, and preferably a button-up shirt or a cool jacket. Mystery and Beckster expect their students to peacock: wear necklaces, rings, earrings, bracelets and colourful scarves. You will be sent a fashion inspiration collage upon request.

## WHAT ELSE DO I NEED TO BRING?

Personal items, pens, pencils, and a notebook, tablet, or laptop.

## CAN I RECORD THE EVENT WITH MY PHONE?

No. Mystery and Beckster's material is protected by copyright and other intellectual property laws, and any unauthorized recording (via either audio or video) is strictly prohibited. ## TESTIMONIALS FROM STUDENTS

"This guy made me understand what things worked for me and what didn't work for me. I recreated myself without changing anything about myself that I value. I just became a better, more updated 2.0 version of myself. Many guys will teach you stuff but this guy will break it down and prove it works!"

**Adam, 27, UK**

"Mystery changed my life! After reading some books, watching some of his videos on YouTube and hearing audios I decided to simply practice as he advises us to do. The main outcome wasn't simply having results with women. I started developing deep internal resources. The more I experimented applying his "routines", the more I experienced resourcefulness growth on every level of social skills and mature masculine power. I owe this man a lot! He isn't only THE world class PUA and trainer preceding all others – he is one of the greatest artists of all times!"

**Carlos, 36, Rio de Janeiro**

Just did the Bali Platinum Residential with Beckster and Mystery. All I can say is what a great experience. Not only is the advice they give you absolutely priceless, but they are super cool and down to earth. I went from not being able to approach anyone to opening around 100 sets in 5 days. The method they teach works, and I can't wait to do another.

## TESTIMONIALS FROM STUDENTS

"I was particularly interested in what Beckster calls "supernatural" game. This is, if one could summarise it, mainly natural in basis but with interjected tailored routines (physical, verbal and emotional). They are tailored as they are specific to you as an individual and are designed to "lift" and "spike" your natural game. I experienced it as a kind of amplification during my sets. Beckster takes a background history of you, picking up on your strengths and weaknesses and then incorporates this into supernatural game. This is later more finely tuned and honed as he gives you feedback from your sets."

**Blade, 45, Australia**

The 5-day Helsinki Vappu Bootcamp with Mystery and Beckster was an experience I will never forget. Going in, I honestly didn't expect to receive so much one-on-one time with them. The knowledge they shared, the instant feedback they gave me... it was almost like they pulled up a menu and adjusted my default settings so I could be the best possible version of myself.

**Billy, 29, USA**

Beckster and Mystery's Las Vegas Bootcamp was beyond expectations. The results and pictures speak for themselves. Within 3 days, I was able to bring 2 girls to my bed, had 3 lip-locks, 1 day 2, and had around 12 Instagram closes – many of whom I chat with until today, even if I'm thousands of miles away. I never had these kinds of results ever before this!

**Matthew, 25, USA**

**PREPARE TO BE AMAZING!**
